

create\_virus1\_sprite

```
graph LR; A[create_virus1_sprite] --> B[create_sprite]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is dark gray with a black border and contains the text 'create\_virus1\_sprite'. The right box is white with a black border and contains the text 'create\_sprite'. The arrow points from the right side of the first box to the left side of the second box.
